

## EQUAL OPPORTUNITIES MONITORING FORM

The Partner Universities in the collaborative EngD in Large Scale Complex IT Systems (Universities of Bristol, Leeds, Oxford, St Andrews and York) are committed to a policy of equal opportunities. To enable the Universities to monitor the effectiveness of this policy, applicants are asked to complete this form. This information is used solely for the purpose of monitoring application and admission rates and forms no part of the selection procedure. Please return the form with your application to the EngD Administrator at York. The monitoring form will be separated from the application form in the EngD Office and will not be forwarded to the EngD Director or those making decisions about your suitability for the programme.

### Ethnicity

Please tick the box which you feel most adequately describes your ethnic origin.

### Disability

If you have a disability and may require extra support whilst at University, please tick the relevant box(es) in the section below. **Please give full details of your special needs in section 11 of the application form.**

If you have no special needs arising from a disability (e.g. you have a visual impairment which is corrected by spectacles), please tick 'no known disability'.

If you are a **registered** disabled person, please tick the final box in the disability section to indicate this.
